

March 16, 2021

Dear *Gess* Elementary Families,

This year we are happy to offer an extended school year to all our *Gess* students. This will be in the form of a summer school program that will begin June 14th and run through July 9th. Grade levels will be combined depending on how many students we have in each grade. We will continue to follow all safety protocols including mask wearing and social distancing.

We are planning for this program to run from 8:00-12:30 daily, Monday through Thursday. Busing from a central location will be offered. If you would like your child to attend, please let us know by filling out and promptly returning the form below. We will reserve a spot for your child when we receive this form.

What: Summer School at *Gess* Elementary

When: June 14- July 9 4 Days/Week

Time: 8:00-12:30

Transportation: Busing is offered from a central location close to where you live.

Please save a spot for my child in Summer School.

We will need transportation. _____ I will provide transportation. _____
